divide

**Community
Technology Centers
provide access to
technology to
Americans in low-
income communities.**

Closing the Digital Divide

Continue to measure the importance of income, education, race, gender, geography and age to Americans access to Information Age tools.

Closing the Digital Divide

- Expand the network of Community Technology Centers to provide access to technology for those Americans who can not afford it.

Closing the Digital Divide

- Promote applications of the Internet that will empower low-income families, such as the ability to start their own businesses.

Closing the Digital Divide

- Upgrade the IT skills of workers in low-income communities

No Child Left Behind

President Bush's education reform plan focuses on how teachers and students can use technology.

Enhancing Education Through Technology (ED-Tech)
